

2019 Iotron Form - bring your form with equipment on loading day

An **item** is the piece of wrapped equipment that you plan to send. This is how Iotron charges its fees. They also guide us on when we can combine equipment as packages or keep separate. Examples;

- A wrapped super with frames inside = 1 item
- Up to 3 inner covers wrapped together = 1 item
- Two honey frames wrapped together = 1 item
- One bottom board = 1 item, two bottom boards = 2 items
