

2020 Iotron Equipment Form - bring this form with your equipment

A piece of equipment that you plan to send for treatment is called an **ITEM**, based on Iotron's pricing list. They advise on combining equipment or when to keep separate. See 2020 instructions on club website. E.g.

- A super with frames inside = 1 item
- Up to 3 inner covers all wrapped together = 1 item
- Two honey frames wrapped together = 1 item
- One bottom board = 1 item, two bottom boards = 2 items

Name (print):		
Phone Number:		2020 CRBA member? Yes / No

EQUIPMENT ITEMS	HOW MANY ITEMS?
Supers (each) <i>It doesn't matter if there are frames inside or not. One super is an "item".</i>	
Nuc box hive (each) <i>It doesn't matter if there are frames inside or not One nuc box is an "item".</i>	
Top bar hive (each) <i>Hive roof and hive body separated = 2 items Put frame slats in a bag, list as an item below in 'Other' See description for topbar hive as an "item".</i>	
Bottom board (each)	
Outer /Telescopic Cover (each)	
Inner covers (up to 3 per wrapped package)	
Frames (2 frames per wrapped package) <i>These can be honey, pollen or empty drawn comb frames</i>	
Queen excluders (up to 5 per wrapped package)	
Other (describe) <i>E.g. top bar frames slats, bee suits, hive tools. Email/ call if you have something unusual to send.</i>	
Pollen <i>(tightly packed to 11cm in height or less)</i>

2020 Iotron Price List

2020 Iotron Fees – Equipment Items	Fee
Super deep, dadent (fee is based on the Langstroth foot print area)	\$6.00 each
Nuc box	\$6.00 each
Top bar hive (cost is based on its footprint on the Iotron conveyer tray)	\$5.00 per foot length
Bottom board	\$3.00 each
Outer Cover (Telescoping Lid)	\$3.00 each
Inner covers (3 pack)	\$3.00 per package
Frames (2 pack)	\$3.50 per package
Queen excluders (5 pack)	\$3.00 per package
Other (describe) (tools, containers, Obs hive, TB frame slats, bee suits) (bee suit = \$6.00, see FAQs)	TBD
Pollen (tightly packed to 11cm in height or less)	\$1.00/ kg
Liquid Honey (packed at 2cm in height or less) (2 frame packages)	\$1.00/ kg
Empty Pallet	\$20.00 per pallet
All items are placed on a conveyer tray that passes through the irradiation unit two times . Pricing is based on an item's footprint area when placed on the conveyer tray.	

“Other” means for example, a top bar hive, observation hive, beekeeper clothing or tools, etc.
